Call to Order

Motion to approve agenda - passed

Review of Minutes from previous meeting being passed around for acceptance/approved. Minutes reviewed & approved.

Legal Chuck is reviewing data that Donna provided and will contact for further action. We had a new member who wished to prorate the fees. For this family we will prorate to ½ the yearly fees. Donna send out a note to see if anyone else has any input.

Communications – No sign received as of yet from BCBS and waiting on press release info from the Town of Morrisville.

Garden Coordinator – Watch out for the wasps! Beware! There is also a nest in the bamboo on the asparagus bed. Reminder to non-current members, please join if you want to participate in the harvest. Whoever is there on Saturday, please harvest all ripe produce, take what you need, then we will donate the remainder to the Interfaith Food Shuttle drop-off point at the Western Wake Farmer's Market. We had someone there who worked community service at the garden, cleaned out sheds, turned compost, trimmed bamboo on asparagus bed, weeded bird area, hosed down equipment, trimmed and mowed the lawn.

Educational/Outreach - Nothing new

Treasury Report – Reported bank balance / bills paid / membership dues collected. We paid our monthly insurance payment for June, 6 months PO Box rental and water bill. We need to pay our website dues shortly and we will have monthly insurance payments for the next 6 months.

Equipment – We need a 300' extension cord for the weed eater / other electrical equipment. Jane to bring warranty info to garden for small tiller so it can be taken in for repair. Additional dirt and compose on hold until tiller is repaired.

Next meeting time & location:

Monday, August 19th at 7 pm at Teaming for Technology (United Way of Wake County), 5151 McCrimmon Parkway, Suite 225, Morrisville.
